

Cayton Primary Safeguarding Bulletin!

Hi it's Mrs Wood (year 1 teacher, DSL and SENCO) one of my roles at Cayton School is Designated Safeguarding Lead (DSL). At Cayton, we are committed to ensuring all our children feel safe in school, home and online. To support families further, we continue to provide a bulletin with lots of current information, what we are providing at school and ways to help your child stay safe at home (especially online). I would appreciate any feedback or topics of interest via Dojo through a private message. Welcome to all the new families starting at Cayton.

Yellow Ribbon

At Cayton School, we will continue to use yellow ribbons (worn on lanyards) as the senior leaders and the safeguarding team. These ribbons symbolise that we are additional trusted members of staff to talk to about feeling safe, friendship issues or any worries. The adults wearing them are: Mrs Monaghan, Mr Vasey, Mr Taylor, Mrs Powell, Mrs Wood, Mrs Wilson and Miss Clough. The children have also recently learnt what blue and red lanyard colours mean for visitors (red not DBS checked so will be accompanied by a member of staff and blue DBS checked so they can work with children unsupervised). We have displayed this information around school.

School Updates

- In the first part of autumn, all children completed lots activities/learning regarding keeping safe online as part of their computing sessions.
- We have delivered online safety to parents at school on 25th October- the power point will be added to our website for your reference.
- Our link PCSOs have delivered an assembly on staying safe in the community.
- In our Friday Safeguarding assemblies we have started to learn about the equality act and the nine protective characteristics.
- There is some helpful information/advice on this link about keeping children safe online:
<https://parentsafe.lgfl.net/> , NSPCC website:
<https://www.nspcc.org.uk/keeping-children-safe/online-safety/talking-child-online-safety/> and **Be Aware** which is an online knowledge and information hub all about child exploitation: <https://www.safeguardingchildren.co.uk/be-aware-parents-and-carers/>
- We have also become a nut free school.

PSHE- In Autumn

A preventative way that we educate children about safeguarding themselves is through the PSHE curriculum. As you are aware we use the scheme Jigsaw. Last half term's Jigsaw piece was 'being me in my world' and the children learnt about their classroom and their rights and responsibilities. Next term, our jigsaw piece is 'celebrating difference' and the children will learn about things that are similar/ different to their peers. Any families who are new to school, you can find information on our PSHE/RSE curriculum on our school website.

Well-Being

Denzel has settled into Cayton School life well. Thank you to everyone for your support. He continues to enjoy lots of stokes and his well-being lunchtime club to support SEMH.
