Dear Parents/ Carers

Tempest Photographs

We have worked closely with Tempest Photography to be able to offer the school photographs this year. Tempest will be in school on Friday 18 June, although the way the photographs will be taken will be slightly different than other years.

We are unable to have pre-school children or have sibling photographs, as we still have to maintain our Covid bubbles.

Tempest will set up in the school hall and one class at a time will come into the hall to be photographed, after they return to class, Tempest will clean everything ready for the next class.

Tempest orders can be placed online, instead of money and order forms coming into school.

We hope you look forward to receiving your child's photograph.

With best wishes

J Monaghan
