Dear Parents/ Carers

PHOTOGRAPHS OF CHILDREN

School operates a policy whereby we encourage the celebration of children and their work. Sometimes this may involve the taking of photographs of the children themselves e.g. for publication in the local newspapers or on the school website. We assume that parents would wish to celebrate alongside school. However, in some circumstances parents may not wish their child to be photographed. If this is the case, would you please write to the School informing us of this decision.

Governors have discussed this matter at great length, supported by advice from the LA and taken into consideration key aspects of the Data Protection Policy.

Governors do not wish parents to use recording devices at School events.

If you have any concerns regarding this matter, please do not hesitate to mention them.

With best wishes

Juliet Monaghan
